Manga of the Month

Hourou Musuko (Wandering Son)

Submitted by Eric!

Volumes: 15 (123 chapters)

Genres: Drama, Romance, School, SoL, Gender Bender

Shuuichi Nitori is a 5th grade student who likes to bake and has always been a feminine boy. When he transfers to a new school, he's mistaken for his 6th grade sister on his first day. Shuuichi has a childhood friend who has similar feelings of discomfort related to gender identity: the lanky tomboy Yoshino Takatsuki, who, though biologically female, does not identify as a girl. These two friends share a similar secret and find solace in one another; however, their lives become even more complicated when they must tread the unfamiliar waters of a new school, attempt to make new friends, and struggle to maintain old ones. Faced with nearly insurmountable odds, they must learn to deal with the harsh realities of growing up, transexuality, relationships, and acceptance.
